

Privacy Policy

You will be deemed to have accepted the following terms in relation to any information about yourself which you choose to submit to the Site or send to us by any other method ("personal information"). If you wish to discuss our proposed uses of your personal information, please contact us at masont@equipmentexpress.com. This privacy policy discloses the privacy practices for "the Site" equipmentexpress.com.

This privacy policy applies solely to information collected by this website. It will notify you of the following:

- Personal Information
- Choices
- Security
- Inaccuracies
- Information collection, use, and sharing

We are the sole owners of the information collected on this Site. We will not sell or rent this information to anyone.

We use cookies, which are files placed on your computer to enhance your use of the Site. They work by recognizing and remembering you when you revisit the Site.

We may also process your personal information if we believe we have a genuine and legitimate reason to do so and we are not harming any of your rights and interests. This means we may use the data you provide to us, or source your data through other means, for our legitimate business interests to carry out our work. Before doing this, we will also carefully consider and balance any potential impact on you and your rights.

As data processors, we use your data to inform profiling, segmentation, and dynamic content to improve your experience.

We may contact you via email in the future to tell you about new products or services, or changes to this privacy policy.

You may opt out of any future contacts from us at any time. You can do this at any time by contacting us via masont@equipmentexpress.com or clicking on the 'Unsubscribe' link located in the footer of any marketing emails you have received from us.

At any time, you have the right to:

- See what data we have about you
- Change/correct any data we have about you
- Have us delete any data we have about you

- Express any concern you have about our use of your **data**
- Security

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.

We will always follow strict security procedures in storing, **using, and** sharing the information you give us in order to prevent unauthorized access to it. These security procedures may mean that proof of your identity may sometimes be required before information can be disclosed to you.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.

Updates

Our Privacy Policy may change from time to time, and all updates will be posted on this page.

If you feel that we are not abiding by this privacy policy, you should contact us immediately via email at masont@equipmentexpress.com.
